

# 2022-2023 SEASON TRYOUT PACKET

## INTRODUCTION

Crush Cheer is a program that inspires, encourages, and nurtures athletes to achieve their very best. Our mission is to develop well-rounded athletes through an environment of positive energy, self-motivation, and hard work. Our Crush core values include: to build and maintain a positive team and family spirit, promote confidence, act with integrity, behave intentionally, foster passion, and inspire a will to win.

## TEAM EVALUATIONS

Crush offers two types of All-Star competition teams: Elite and Prep.

Elite teams require a higher level of commitment with **two** 2-hour team practices per week along with a 1-hour tumbling class. Additionally, they attend approximately 5-7 competitions a year.

Prep teams are lower commitment introductory level teams that require **two** 2-hour team practice per week They attend approximately 4 competitions.

*\*Team practices for both Elite and Prep teams could be at either Champions 1826 or Champions Westlake this season.\**

Each athlete interested in becoming a part of the Crush Cheer family will register for the tryout on the parent portal and will then be sent the pre-evaluation clinic video that will include all of the requirements for the in-person tryout. On the first day of their tryout, the athlete will be evaluated on their dance that they will learn from a video, tumbling and jumps. On the second day, they will be placed into groups by their possible level to evaluate their stunting. At both the tryout sessions, athletes will have time to stretch and warm up skills before they are evaluated. Athletes are required to wear all **black** shorts, fitted shirt, or tank, and have their hair in a cheer ponytail. Athletes should also wear white cheer shoes or athletic shoes.

### TRYOUT PARENT MEETING:

**MAY 2nd AT 7 PM VIA ZOOM:** This is a mandatory meeting for parents to log into to learn the tryout process along with the details of the program and the level of commitment we expect from all athletes and families..

After rosters are set, families are contacted by email within one week to let them know the

results of evaluations for team placements. Final team placements are up to the discretion of the Crush coaching staff; our vision is to create well balanced and successful teams.

## SUMMER PRACTICE SCHEDULE

---

During the summer (June-August), Crush team members will be expected to attend regular practices to work on team skills and other required elements in preparation for the competition season. All athletes will also attend two choreography-based camps in the summer.

### **Crush Choreography Skills Camp: June 20 - June 23, 2021, Times TBD at CHAMPIONS 1826**

This is a choreography camp that will be led by our Crush Cheer Coaches. The camp is an important time where athletes will form their stunt groups and begin to work together as new teams.

### **Choreography Camp: July 9-July 13, 2022 for Elite Teams- Prep Teams will be at a later date**

Choreography Camp is one of the most critical elements to the success of our season and is therefore **mandatory**. Please block off all days until the team schedules are released. Full participation is required because this is the time our choreographers build a customized competition routine for the teams to perform throughout the season..

*\*Specific times of day for each camp are TBD. Both camps are mandatory.*

## REGULAR SEASON PRACTICE SCHEDULE

---

During the regular 2022-2023 season (mid August through mid-May), Crush teams will have a set weekly practice schedule. For All-Star Elite teams, there are two team practices, each lasting 120 minutes, and an additional Crush tumbling class of your choice. Our prep teams have one team practice along with one skill-building class and a Crush tumbling class during the week.

Practice times usually remain consistent throughout the regular season and are only changed under special circumstances. During important times of the season, additional extra practices may be scheduled. Every attempt will be made to notify you as soon as possible.

*The finalized summer practice schedule and camp schedules will be emailed within a few days after team placement, and the finalized regular season practice schedule will be sent out by mid- to late-summer.*

## COMPETITIONS

---

All Crush teams will compete in 4-7 competitions between the months of October - May. Most of the competitions will be regional in location (Austin, Houston, San Antonio, or Dallas), with the potential for our Elite teams to travel out-of-state for bid competitions.

The competition schedule will be released at the end of summer. Competitions are subject to change due to various factors throughout the season. We will notify you of changes as soon as possible. Teams may also be awarded bids to participate in the U.S. Finals, D2 Summit or other bid-awarded competitions. Crush teams will attend any competitions they receive bids for at the coaches' discretion.

## TEAM EXPECTATIONS

---

All-Star Cheer is a select sport. It takes commitment from both the athlete and the families of athletes. The team and individual can only be truly successful with everyone at practice. We work extremely hard to try and minimize conflicts for our athletes, and expect athletes to make every effort to maintain good attendance.

If you are involved in a school activity, have a planned vacation, or other reason to miss practice, you are required to provide a written notice 2-weeks in advance. All other absences such as illness should be reported as soon as possible.

## SKILL GRID

We look to build well-rounded athletes that are not defined by just one facet of cheer. During the tryout process, all athletes are evaluated on jumps, dance, core strength, stunt ability, tumbling, and overall coordination and sharpness. All tumbling skills that are demonstrated must be executed with consistency and strong technique, as well as in conjunction with other skills. We also consider the athlete's age, maturity, stunt position, choreography retention, overall coachability and team composition when building our teams. It is best to go into evaluations with no expectations as teams are decided with the big picture in mind. Please trust the process.

Tumbling skills alone do not determine level placement; however, nearly every athlete should have all of the appropriate tumbling skills for their level, and be able to perform the skills with consistency and strong technique. As established by Varsity, the following grid lists the tumbling skills for each level of All-Star cheer, however our team placement is not solely based on tumbling:
